LEAVES AND YARD WASTE PROGRAM

Leaves and yard waste (grass clippings, small branches, weeds, etc.) will be collected during two 10-week periods, one in the spring and one in the fall. See the Trash, Recycling & Yard Waste Collection Schedule for collection weeks.

Place yard waste in compost bags or closed barrels (with lids) clearly marked 'yard waste' and leave them at the curb on your collection day by 7:00 am.

For the remainder of the spring, summer and fall weeks when there is no curbside collection of leaves and yard waste, a drop-off site will be provided. The drop-off site is located on Mill Street (off of River Street) in Blackstone, MA and will be open Wednesdays from 8 am to 3:15 pm and Saturdays from 8 am to 3:45 pm, for those residents having the appropriate yard waste sticker; all residential properties in the City of Woonsocket are included in the yard waste drop-off program.

Stickers are issued per calendar year and can be obtained at City Hall in the Public Works Department, Monday through Friday, 8:30 am to 4:00 pm, at a cost of $25.00 per year. Proper identification and vehicle registration is required.
Commercial vehicle registrations are excluded from this program.

This program is for yard waste only. It is illegal to combine yard waste and household waste for disposal.
