Office of the Mayor
City of Woonsocket, Rhode Island

Press Release

Topic: **CITY TO ANNOUNCE MAJOR ECONOMIC DEVELOPMENT PROJECTS**

For Release: **Immediate**

Mayor Lisa Baldelli-Hunt is pleased to announce that the City of Woonsocket is prepared to publicize a number of important economic development initiatives which will result in the revitalization of a number of city properties which have been vacant for a number of years and bring new development and construction to the city as well.

“These projects have been in the works for a number of months” the Mayor stated “and we are finally able to announce some great news on the economic development front.”

The projects will be announced in a series of press conferences to be held in Harris Hall beginning on Tuesday, October 28, 2014 and Thursday, October 30, 2014, both scheduled for 10 a.m. These announcements are the result “of on-going initiatives and deliberate negotiations aimed at achieving a substantial benefit for the City of Woonsocket and I am excited to share these accomplishments with the public as we begin the process of rebuilding and reinvigorating our local economy” said Mayor Baldelli-Hunt.
