Request for Proposals  
Old Woonsocket Middle School  
357 Park Place  
Woonsocket, Rhode Island 02895

### **Correction**

Utilizing all City tax and building records, and other historical information provided by the Woonsocket Education Department, the City prepared the current Request for Proposals indicating that all buildings combined as having a total of 485,000 square feet. An architect working privately for one of the potential respondents to this RFP has prepared floor plans which conclusively indicate that the total square footage contains only 212,900 square feet. This figure should be used as the basis for any proposal a possible developer may choose to make and submit to the City of Woonsocket.

**Owing to the above information, the deadline for the submission of proposals in response to the previous Request for Proposal is extended until 2:00PM on Monday, October 24, 2016.**
