Permanent Repairs to Various City Streets

WOONSOCKET, RI: The following City streets have had various degrees of sewer excavation and repair. This work has left roadways in need of improvement to temporary applied patches. The repairs will include the temporary patch area and 2 feet on all sides of the original excavation.

"This work will improve road surface conditions," stated Director D'Agostino. "Please be patient while this temporary inconvenience takes place."

Work will commence in the next 30 days. Roads to receive sectional repair include Social Street, Clinton Street, Rachel Street, Fourth Avenue, East School Street, Diamond Hill Road and Gauthier Drive.
