### CADD ENGINEERING SPECIALIST

The City of Woonsocket, RI is conducting a search for a CADD Engineering Specialist. The person in this position will be responsible for making field surveys, performing calculations for all engineering work, computer aided design and drafting. Additional duties include, but are not limited to, the following: using CADD system to measure and calculate information on all Public Work projects, and plot information for property, topographic surveys and profiles for drains, sewers and City streets; preparing drawings for Public Work improvements, locating and marking City utilities, making sewer assessment plans, assisting in the operation of flood control projects, as well as reading deeds and property records, making changes to plats and records as recording in the City Clerk's and Tax Assessor's offices. The successful applicant must possess a high school diploma, or a GED equivalent, with two (2) years of experience in subprofessional engineering field survey work. College level training in Civil Engineering may be substituted for the required years of experience as noted in this advertisement. Must be very familiar using all surveying tools.

**Application Deadline:** Wednesday, July 13, 2022  
**Classification:** Local 3851/Professional and Technical  
**Salary:** \$1,117.25/Week To \$1,210.95/Week  
**Hours of Work:** 40 Hours  
**Examination Date:** To Be Determined

**To Apply:** The City of Woonsocket offers a competitive benefit and compensation package. For more information on this position including a full position description and application visit the "Employment" section on the City of Woonsocket website via the following URL:
