INVITATION TO BID # 5710

DEMOLITION OF FORMER PUMP STATION SMOKESTACK
11 CUMBERLAND HILL ROAD

Sealed proposals in duplicate, enclosed in an envelope labeled, and addressed to the Finance Director, City of Woonsocket, 169 Main Street, P. O. Box B, Woonsocket, RI 02895, will be received until **2 PM on Wednesday, January 13, 2016**, at which time they will be publicly opened and read. The Instructions to Bidders and other Contract Documents are available on the City website at www.ci.woonsocket.ri.us or by calling 401-767-9236.

This contract is intended to provide for **Demolition and Removal** of the former pump station smokestack.

A mandatory pre-bid meeting will be held on site at 2 PM on Tuesday, January 5, 2016.

A certified check payable to the City of Woonsocket or bid bond in the amount of 5% of the bid price, must accompany each proposal. The certified check or bonds will be returned to all but the successful bidder upon execution of the contract. The bidder's check/bond will be returned upon acceptance of a Performance and Payment Bond by the City.

A Performance and Payment Bond for the entire project with a satisfactory surety company will be required of the successful bidder. Successful bidder shall also apply for, and be issued a Demolition Permit with the Building Inspection Department, prior to any demolition work commencing.

In accordance with RI General Law 37-13-7 contracts in excess of \$1,000 shall require compensation based on **prevailing wages** for construction, alteration and/or repair, painting and decorating. In accordance with Rhode Island General Law 44-1-6, nonresident contractors are subject to a 3% withholding of the contract price to secure payment of any sales tax, use tax, and/or income tax withheld that may be due the State of Rhode Island.

The Finance Department, through its Director, reserves the right to accept or reject any or all bids or proposals; to waive any technicality to any bid or part thereof submitted; to accept any bid or option or comparison thereof; to contract in part or in whole; and to accept the bid deemed to be in the best interest of the City of Woonsocket.

No bidder may withdraw its bid within sixty (60) days after the actual time and date of the bid opening thereof. WBE, MBE and Section 3 contractors are encouraged to submit a bid.

Contact Michael F. Debrosse or Scott Sanford, Woonsocket Engineering Division at (401) 767-9213 with any questions.

SECTION 1

GENERAL PROVISIONS:

Wherever in this agreement the word 'Building Official' is used, it shall be and is mutually understood to refer to the Building Official of the City of Woonsocket, acting either directly or through any assistant having general charge of the work, or through any assistant or inspector having immediate charge of the work, or through any assistant or inspector having immediate charge of a portion thereof, limited by the particular duties entrusted to them.

Wherever in this agreement the word 'Engineer' is used, it shall be and is mutually understood to refer to the City Engineer of the City of Woonsocket, acting either directly or through any assistant having general charge of the work, or through any assistant or inspector having immediate charge of the work, or through any assistant or inspector having immediate charge of a portion thereof, limited by the particular duties entrusted to them.

Whenever the word 'Contractor' is used herein, it shall be and is mutually understood to refer to the party or parties of the second part to this agreement, or the legal representative of said party or parties.

The proposal shall include all labor, tools, equipment and materials necessary for the complete demolition and removal of all building construction materials. All work is to be performed in strict accordance with the guidelines as set forth in the Technical Specifications. Special provisions may apply to specific sites and they will be clarified on the bid proposal sheet.

Successful bidder must mobilize a crew to begin work within fourteen (14) working days after being awarded requested work.

The smokestack to be demolished is constructed of brick and mortar and is approximately 80' tall. The smokestack is built upon a concrete slab and is attached to one end of a brick one and one-half story building that is approximately 30' X 50'. **The smokestack is the only structure to be demolished at this location at this time.**

Work hours are from 7 am to 4 pm Monday through Friday, excluding holidays.

Any deviations from the original specifications shall be noted by the bidder.

The City assumes no responsibility for any changes in conditions between bid award and contract start date.

SECTION 2

TECHNICAL SPECIFICATIONS:

Contractor shall:

- Obtain all local and/or State permits required to perform required work.
- Evaluate the building for asbestos and/or other materials considered to be hazardous. Should any hazardous materials be located, the removal shall be in accordance with all applicable Federal, State and Local rules and regulations.
- Provide Certified Payroll(s), if so directed.
- Provide all safety barrels, cones, construction signs and steel plates as needed or as directed by the City.
- Supply any required police details for traffic control as directed by the Woonsocket Police Department.

- Maintain a clean worksite at all times. Remove all construction debris during operations each day and load into dumpsters for proper disposal. No demolition debris shall be buried on site.
- Provide documentation and a signed manifest as proof of proper disposal of debris.
- Supply water to wash down debris for dust control.
- Install and be responsible for sediment control devices.
- Assume responsibility for damages caused to water pipes, gas pipes, electrical wires, conduits, sewers, storm water drains, and any public or private property, that occurred as a result of the contracted work. Should adjacent property be damaged in any manner, the Contractor shall immediately contact the Building Official, Lawrence Desormier at (401)767-9246 or (401)767-9238. All damage to said areas shall be repaired immediately.
- Repair damaged landscape areas and any gouging of adjacent roadway caused by tracked equipment.
- Remove and dispose of material and/or debris, which has washed into, flowed into or been placed in water courses, ditches, gutters, drains, catch basins, pavement areas or anywhere else, during the progress of the work.

SECTION 3

SUB-CONTRACTORS:

No portion of the work shall be sub-let to any sub-contractor without first giving the Building Inspection Division due notice in writing of such intention. No sub-contractor shall be employed who is unsatisfactory to the Building Official.

SECTION 4

COMPETENT WORKMEN/LICENSES:

Contractor shall provide a 'Competent Person', as defined by the US Department of Labor Occupational Safety & Health Administration (OSHA), for the location of the proposed work. The contractor shall employ only competent and efficient laborers, operators and tradesmen for every kind of work, and whenever, in the opinion of the City Engineer, any person is unfit to perform their task, or does their work contrary to directions, or conducts themselves improperly, the contractor must discharge that person immediately and not employ that person again on the work.

All equipment operators and workers performing work at the proposed location shall hold the appropriate State of Rhode Island licenses for their responsibilities.

An OSHA ten (10) hour construction safety program is required for all on-site employees.

SECTION 5

SAFETY:

All Federal, State and Local safety regulations shall be followed.

The contractor shall assume responsibility for risks and causalities of every description, for loss or injury to persons and property arising out of the nature of the work, from the action of the elements or from any unforeseen or unusual difficulty.

CITY OF WOONSOCKET, RI

BUILDING INSPECTION DEPARTMENT

PROCEDURE TO DEMOLISH A BUILDING OR STRUCTURE OR PORTION THERE OF;

1. All owners and/or Corporations of the property must **sign** the permit with his or her name and address and telephone number (Notary may be required)
2. On the back of the permit sheet a sign off by the Electric Co, the Telephone Co, the Gas Company, and public works for water and sewer disconnects must be signed to assure removal or disconnection of these services. If there is only sub electric & water feeds, a licensed electrician or plumber shall do the work and sign the permit. **RIGL 23-27.3-116.1**
3. A **performance bond** in the amount of the job must be posted in the City Clerk's Office.
 - a. An insurance certificate in the amount of \$100,000.00 must be posted in this office. **RIGL 23-27.3-116.8**
 - b. The city shall be put on the certificate as well as the owner.
4. A Dig-Safe number 1-888-344-7233 must be obtained and posted on the permit.
5. No building or structure are too be razed or demolished unless, and until provisions are made for the rodent eradication o the building or structure. The General acceptance standard for compliance is that baiting has been accomplished. **RIGL 23-27.3-116.2**
6. Federal and State, (RI Dept of Health), regulations require that prior to the demolition of a building or structure, it must be thoroughly inspected for the presence of friable and non-friable asbestos containing material. A letter must be submitted to this office from a **qualified person** (registered with the state) that this inspection has been performed and that the building is free of or has asbestos material. If Asbestos is found, an abatement program shall be provided to this office.
7. Demolition fee must then be paid in the inspection office and is based on the total fee for the demolition of the structure. A copy of signed contract from Demolition Company **must be supplied**.
 - a. If any portion of the existing foundation or structure acts as a retaining wall for slopped or adjacent properties, accommodations must be made and approved of, prior to the commencement of any work to either replace existing or reconstruct existing to the Building officials approval. It may require a stamped engineers plan. If not, complete removal from site of the foundation, footings and all debris is required. The final grade shall be clean, smooth with grass planted and maintained during growth. Insure no run off on adjacent properties.
8. When all the above is completed the permit will be mailed to you. If this is an emergency then the Building Official may grant one, if this office is given a written request and state the emergency to start the job.
9. When all the demolition work has been completed and the site inspected to the satisfaction of the Building Official or his designee a release will be issued to you for you to obtain your bond form the City Clerk.

ASBESTOS REPORTING FORM

DEFINITION: SPOT REPAIR: Any removal, repair, encapsulation, enclosure or other disturbance which encompasses: (1) up to ten (10) linear feet of asbestos from piping and/or (2) up to twenty five (25) square feet of asbestos from any surfaces other than pipes. Large projects divided into smaller segments are not Spot Repairs.

I HEREBY CERTIFY THAT: (CHECK ONE).

_____ a. No asbestos in any amount will be disturbed by work to be performed under permit or contract.

OR

_____ b. Asbestos is present but such amounts to be disturbed are such that the proposed work falls under the definition of SPOT Repair.

OR

_____ c. Asbestos is present in amounts to be disturbed greater than that defined in Spot Repair. I have enclosed a certified copy of the DOH approved abatement plan and a certified copy of the license of the asbestos contractor who shall undertake the work.
