02/18/2020

Dear Woonsocket City Council,

I am writing to you on behalf of the Woonsocket Redskins Youth Football and Cheer Organization. I appreciate your time while you allow me to explain who we are and what we do within the city. We are youth sports recreational teams for both football players and cheerleaders in the city of Woonsocket. We host about 300 children each season. We have been doing this for 20 plus years and intend on staying around for another 20 plus years. We coach children from the starting age of 5 all the way up to 14 years old for both football and cheerleading. Our goal is to give these children something constructive to do with their time while still being able to have fun while doing it and keep them off the streets and focused on something positive. By having an organization like so allows us to teach such skills to a large number of the youth in this community; accountability, responsibility, leadership, discipline, perseverance, how to work well with others, how to handle success and failure and so on. Youth sports can teach a child life long lessons that children can hold with them for many years to come. So I am writing to request a chance for our organization to do a tag day for a fundraiser as we are a nonprofit organization and are funded from our registrations and fund raisers only. The event proceeds will help pay for much-needed upgrades to our football and cheerleading equipment and possibly get us some much needed new uniforms. As of now our teams all have similar uniforms but we all do not have the same. Our main goal is to give these kids in our organization a chance to get new uniforms, as of now we have a couple different versions of our uniforms and are not united as 1 in that aspect. The dates we pick are going to be August 15th with a rain date of August 22nd. We would greatly appreciate the city council hearing us out at the next city council meeting.

If you have any questions or need further information, please feel free to contact me at (508)282-2076 or at [woonsocketredskins@gmail.com](mailto:woonsocketredskins@gmail.com) on behalf of the Woonsocket Redskins Board members, players, and parents of Woonsocket Redskins Youth Football and Cheer. Thank you for your time and consideration.

Sincerely,

Melinda Charbonneau  
Woonsocket Redskins Secretary

# CITY OF WOONSOCKET

## MINUTES

### CITY COUNCIL REGULAR MEETING

MONDAY, FEBRUARY 3, 2020 @ 7:00 PM

169 MAIN STREET, WOONSOCKET, RI, 02895

RE: Sherri Thayer, DOI: May 6, 2018

Dear Councilors:

Attached, please find a Superior Court Complaint, which was received by the City related to an alleged trip and fall accident that occurred on or about May 6, 2018. I recommend that the City deny action in this matter at this time, and refer it to the Rhode Island Interlocal Trust, who provides coverage for such claims under the City's policy of insurance.

If you have any questions or concerns, please do not hesitate to contact me

Sincerely,

## SUPERIOR COURT

## SUMMONS

<b>Plaintiff</b> Hailey Thayer P/p/a Sherri Thayer v. <b>Defendant</b> Christine Chamberland	<b>Civil Action File Number</b> PC-2020-00522 <b>Attorney for the Plaintiff or the Plaintiff</b> Henry S. Monti <b>Address of the Plaintiff's Attorney or the Plaintiff</b> GEMMA LAW ASSOCIATES INC 231 RESERVOIR AVENUE PROVIDENCE RI 02907
Licht Judicial Complex Providence/Bristol County 250 Benefit Street Providence RI 02903 (401) 222-3250	<b>Address of the Defendant</b> 169 Main Street Woonsocket RI 02895

**TO THE DEFENDANT, Christine Chamberland:**

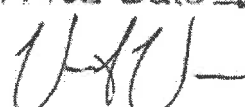

The above-named Plaintiff has brought an action against you in said Superior Court in the county indicated above. You are hereby summoned and required to serve upon the Plaintiff's attorney, whose address is listed above, an answer to the complaint which is herewith served upon you within twenty (20) days after service of this Summons upon you, exclusive of the day of service.

If you fail to do so, judgment by default will be taken against you for the relief demanded in the complaint. Your answer must also be filed with the court.

As provided in Rule 13(a) of the Superior Court Rules of Civil Procedure, unless the relief demanded in the complaint is for damage arising out of your ownership, maintenance, operation, or control of a motor vehicle, or unless otherwise provided in Rule 13(a), your answer must state as a counterclaim any related claim which you may have against the Plaintiff, or you will thereafter be barred from making such claim in any other action.

This Summons was generated on 1/27/2020.	/s/ Henry Kinch Clerk

## Planning Board

To: The City Council  
 cc: Christina Duarte, City Clerk  
 Carl Johnson, Zoning Official

From: Kenneth Finlay, Planning Board Chairman

Date: February 4, 2020

Re: Recommending a Historic Structure Floating Overlay Designation of Woonsocket Assessor's Plat 10, Lot 22 (the former National Guard Armory) to the Woonsocket City Council

The Woonsocket City Council has requested the advice and recommendation of the Woonsocket Planning Board regarding the inclusion of Woonsocket Assessor's Plat 10, Lot 22 (the former National Guard Armory) within the Historic Structures Floating Overlay District (the District) in order to better enable the redevelopment of the existing historic structure. Section 12.7 of the Zoning Ordinance states that the opinion of the Planning Board shall be considered by the Council when adding a property to the District. The Planning Board received information from the Planning Division's staff regarding the Council's request to add said property to the District. The Planning Board concluded that the Council's intension to better enable the redevelopment of the Armory by placing Plat 10, Lot 22 in the District is consistent with the 2012 Comprehensive Plan and with the purposes of section 12.7 of the Zoning Ordinance that can be analyzed without the benefit of an accompanying development plan. The reasoning for said conclusion is detailed in the Planning Division's staff report regarding this issue dated January 30, 2020.

Section 12.7 of the Zoning Ordinance states that "whenever a development plan [is] submitted by any developer or proposed developer of properties within a designated district shall be received by the City Council, it shall be referred to the Planning Board for advice and recommendation after due consideration." As no development plan has been proposed for Plat 10, Lot 22 at the time of this recommendation, the Planning Board requests - as per the language in the Zoning Ordinance - that any development plan proposed in the future for this parcel be referred to the Planning Board for advice and recommendation. This will give the Planning Board the opportunity to determine whether the proposed redevelopment plan aligns with the purposes of section 12.7 of the Zoning Ordinance and is consistent with the Comprehensive Plan.

The Planning Board has two technical concerns with adding Plat 10, Lot 22 to the District. First, without a redevelopment plan, the City Council is not able to consider all the eligibility requirements for placing a parcel in the District listed in section 12.7.2 of the Zoning Ordinance. Second, Plat 10, Lot 22 has not been declared “surplus property by a governmental entity and offered for sale and development by a private developer.” This is one of three criteria for adding a parcel to the District listed in 12.7.1 of the Zoning Ordinance. The Planning Board recommends that the City Council confer with the City Solicitor regarding these concerns prior to adding the Armory to the District.

The Planning Board finds adding Plat 10, Lot 22 (the former National Guard Armory, 316 South Main Street, Woonsocket, RI) to the Historic Structures Floating Overlay District to be consistent with the 2012 Comprehensive Plan and the purposes of section 12.7 of the Zoning Ordinance that can be analyzed without the benefit of a redevelopment plan. Therefore, the Planning Board recommends that the City Council add Plat 10, Lot 22 to the District for the purpose of better enabling the redevelopment of the existing historic structure in a manner consistent with the purpose of section 12.7 of the Zoning Ordinance and the 2012 Comprehensive Plan as long as any future development plans be referred to the Planning Board for advice and recommendation prior to their approval by the City Council. The Planning Board also recommends that the City Council confer with the City Solicitor regarding the two technical concerns stated in paragraph three prior to adding the Armory to the District.

Motion by Member Pratt and seconded by Member Gardner to approve the recommendation as stated above.

Chairman Finlay	Yes
Vice Chair Eappen	Yes
Member Miller	Yes
Member Gardner	Yes
Member Pratt	Yes

**Subject: January 2020 Odor Report**

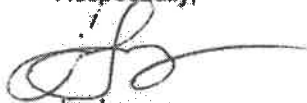

Dear Councilors,

There were eight (8) odor complaints filed with the Woonsocket Regional Wastewater Treatment Facility during the month of January 2020. It should be noted that five (5) of them were not related to the plant operations. All complaints were investigated by Jacobs / Synagro staff and Veolia Water was consulted for sewer investigations. Four (4) of the complaints received were from the Diamond Hill / Mendon Road intersection area and one (1) was received from the far end of the Highland Industrial Park area.

I've attached graphs of monthly odor complaints received since January of 2016 and yearly complaints received since 2008. I've also attached the monthly odor complaint log which outlines the details of the complaints as well as the possible or potential root causes.

If you have any questions or require additional information, please call me at 401.356.1468.

Respectfully,

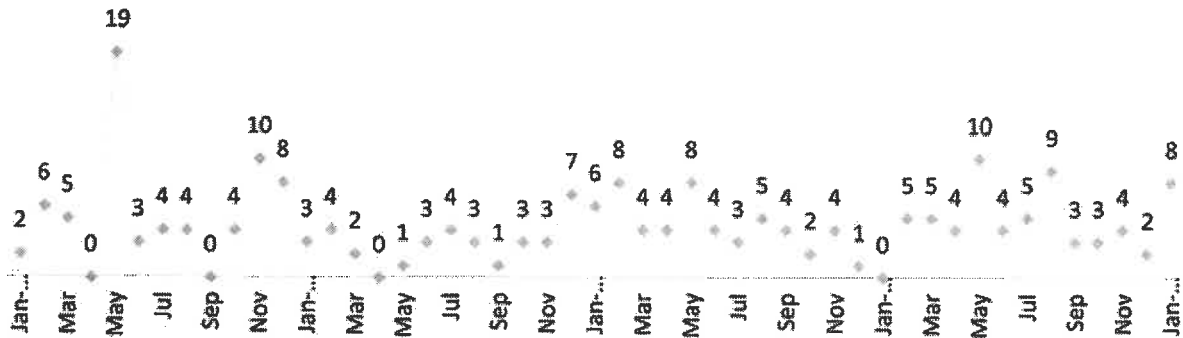

Jim Lauzon  
Jacobs Engineering Group Project Manager

## Status Report No. 25

### City of Woonsocket - Drinking Water Treatment Facility Capital Improvements Project

**Date:** February 24, 2020

**Prepared by:** CDM Smith

On July 31, 2017 the City of Woonsocket, Rhode Island ("City") entered in to an Agreement with Woonsocket Water Services, LLC ("Company"); note that, during the proposal review process, the "Company" was also referred to as "the AECOM Team". The Agreement is for the Company to design, construct and operate a new water treatment facility with a design capacity of 7.0 million gallons per day, expandable to 10.5 million gallons per day, on the City-owned property on Jillson Avenue. Construction is to be complete and the facility fully operational no later than December 31, 2020.

Status Report No. 25 details the work completed from January 22, 2020 through February 23, 2020.

### PROJECT SCHEDULE

All design packages have been delivered to the City and stamped by RIDOH, which completes the design phase of the project. The City has issued to the Company a full notice to proceed with construction of Capital Improvements. It is anticipated the new water treatment plant will be fully operational on December 31, 2020.

### PROJECT BUDGET

<b>Original Contract Sum</b>	<b>\$ 56,752,800.00</b>
<b>Total Change Orders</b>	<b>\$ 159,033.00</b>
<b>Current Contract Sum</b>	<b>\$ 56,911,833.00</b>
<b>Total Paid to Date</b>	<b>\$ 35,831,400.52</b>
<b>Current Retainage</b>	<b>\$ 1,659,061.56</b>
<b>Current Payment Under Review</b>	<b>\$ -----</b>

## PROJECT CHANGE ORDERS

### PROPOSED

*PCO No 9 - PCB and PAH Remediation:* Work under Change Order No 2 has been completed. Confirmatory soil samples indicated additional remediation work will be required. The Company is proposing a fixed Engineering Services cost of \$9,574 plus the cost of excavation, disposal, sampling and lab costs associated with the removal of contaminated material within the defined area at a unit cost of \$106.80 per ton. WWS has completed the additional excavation and disposal of the contaminated soils along the WTP access road. A final change order for this work will be developed.

### FUTURE

*Sick Leave Act -* A new law passed in the State of Rhode Island regulating the minimum sick leave time employees in the State must receive. WWS has evaluated the act and estimated the cost impacts it may have on the project. This is under review.

### EXECUTED

*Change Order No. 1 – PCB and PAH Notification and Delineation: \$41,868.00*

This change order covered the compensation for the Preparation/review of Notification to RIDEM and resulting RIDEM response and conduct the required site delineation of the PCB and PAH contamination to determine the extent of excavation required along the facility's primary access road.

*Change Order No. 2 – PCB and PAH Remediation: \$114,919.00*

Field work to further delineate the PCB and PAH contamination along the facility's primary access road was completed (CO-01). Lab results showed reportable levels of PCB were found to a depth of 3-feet, while PAH contamination were found to a depth of 6-feet. The Company has proposed Change Order No 2 (CO-02) to "Dig and Haul" contaminated soil off-site, conduct confirmatory sampling, development of reports and management activities during excavation for a total cost of \$114,919.00. If confirmatory samples show additional remediation is required a proposed change order would be developed.

*Change Order No 3 – Excavation/Removal Hazardous Materials: \$100.70/Ton (Time & Material)* Covers handling of hazardous materials while installing new water mains along Joffre Ave, Acres Ave, Reservoir Ave and Manville Rd. Company will only be compensated for material removed for disposal at a rate of \$100.70 per ton.

*Change Order No 4 – Raw/Finished Piping Modifications: \$202,988.00 (CREDIT)*

Company is deleting from the design ~620 linear feet of 24" ductile iron water main. The finished water main runs from the intersection of Acres Ave and Reservoir Ave to Joffre Ave and Logee St. The Company had proposed deleting ~450 linear feet of 24" ductile iron main between Manville Road and Lydia Avenue. However, deleting the ~450 linear feet of 24" ductile iron main would have meant transmission of raw water through an existing 100 year old main and the loss of redundancy.

*Change Order No 5 – Interior Process Piping Material Change: \$129,600 (CREDIT)*

Company will credit \$129,600 by installing epoxy line carbon steel pipe in lieu of ductile iron pipe within all facilities. This includes piping within the WTP, Raw Water Pump Station and Finish Water Pump Station.

*Change Order No 6: National Grid Natural Gas Service: \$66,239*

National grid has provided an invoice totaling \$114,740 to complete the installation of new gas main and gas service required at the new treatment facility. A utility allowance of \$50,000 was placed into the construction contract. CO No 6 will cover the remaining balance plus bond and insurance increases incurred by WWS.

*Change Order No 7 - Natural Gas Booster Station:* The Company has provided a change order of \$108,000 to design and construct a gas booster station required to operate HVAC equipment at the treatment plant due to low line pressures in the distribution system. Design details have been coordinated between WWS and National Grid.

*Change Order No. 8 - 30" Line Stop:* The Company has provided a change order of \$80,430 to furnish and install a line stop in order to connect the new raw water line to the existing pipe network. During pressure testing it was discovered the existing line valves did not provide the required isolation to enable this connection to be made. It has been determined a line stop is required in order to connect the new raw water main into the existing pipe network.

*Change Order No. 9 – Manville Road Full Width Paving:* At the request of the City, the Company has provided a change order of \$80,175 to provide full width curb to curb paving in all disturbed areas of Manville Road. The agreement originally called for only disturbed areas to be paved.

## **PROJECT SUBMITTALS**

- All design packages have been approved for construction.

## **PROJECT PERMITTING**

- All RIDEM and RIDOH permitting activities have been completed for the project.

## **FIELD WORK/CONSTRUCTION ACTIVITIES**

- Completed CMU walls in WTP admin building
- Continued installation of 8" water line from Jillson Ave to WTP site
- Continued installation of mechanical piping in the treatment building
- Continued installation of HVAC/Plumbing pipe in the treatment building
- Continued FWPS roof installation
- Continued electrical cable tray installation in treatment building/admin building
- Completed SWW basin elevated slab concrete
- Continue interior chemical piping in WTP
- Continue DAF equipment installation
- Start painting activities inside treatment/admin building
- Completed wall placement at RWPS

# Water Treatment Plant

## DESIGN-BUILD-OPERATE PROJECT UPDATE

WOONSOCKET WATER SERVICES, LLC

### Water Treatment Plant Timeline

**Project Introduction.** The City of Woonsocket, Rhode Island issued a request for proposals (RFP) in August 2015 for the design and construction of a new water treatment facility. Woonsocket Water Services, LLC, (WWS) a team comprised of AECOM, C.H. Nickerson, and Suez, submitted a proposal in February 2016 for the design-build-operate project and was awarded the project in July 2017. The project is currently in the construction phase.

**Design.** Once the contract was signed, the project was kicked off with the City in August 2017 with the initiation of design packages and permitting with local and state regulatory agencies. The design packages consist of the following packages: Package 1 - Early Site Work; Package 2 - Raw Water Pumping Station, connecting pipelines, and structural foundations of the Water Treatment Plant; and Package 3 - Water Treatment Plant.

RIDOH approved Package 1 on May 30, 2018; Package 2 on July 20, 2018; and Package 3 on September 28, 2018. All packages have been stamped and approved by RIDOH, which completes the design phase of the project.

**Permitting.** All RIDEM and RIDOH permitting activities have been completed for the project. The RIDOH participates in monthly progress review meetings with the project team and the City and will continue to participate and monitor the project throughout construction and startup. Representatives from the RIDEM make period site visits to the WTP site to conduct site inspections related to construction storm water controls.

RIDEM approved a permit modification to the original Freshwater Wetlands permit on June 7<sup>th</sup>, 2019. The permit modification request modifies the amount of off-site compensation that would be provided, to include the impervious area that will be created with the sidewalk improvements on Jillson Avenue and the extension of Acres Avenue to the new Secondary Access Road from the new WTP.

**Construction.** In February, the following activities were conducted:

**Water Treatment Plant:**

- a. Completed CMU walls in admin building
- b. Continued installation of 8" water line
- c. Continued installation of mechanical piping in the treatment building
- d. Continued installation of HVAC/Plumbing pipe in the treatment building
- e. Continued FWPS roof installation
- f. Continued electrical cable tray installation in treatment building/admin building
- g. Completed SWW basin elevated slab concrete
- h. Continue interior chemical piping in WTP
- i. Continue DAF equipment installation
- j. Start painting activities inside treatment/admin building

**Raw Water Pump Station:**

- a. Completed wall placement at RWPS

## **Upcoming Activities (3 Month Look Ahead)**

- Continue review of construction submittals
- Continue installation of chemical pipeline and chemical tanks in the process building
- Continue installation of mechanical pipe
- Continue installation of electrical conduit and wire
- Continue DAF system equipment installation

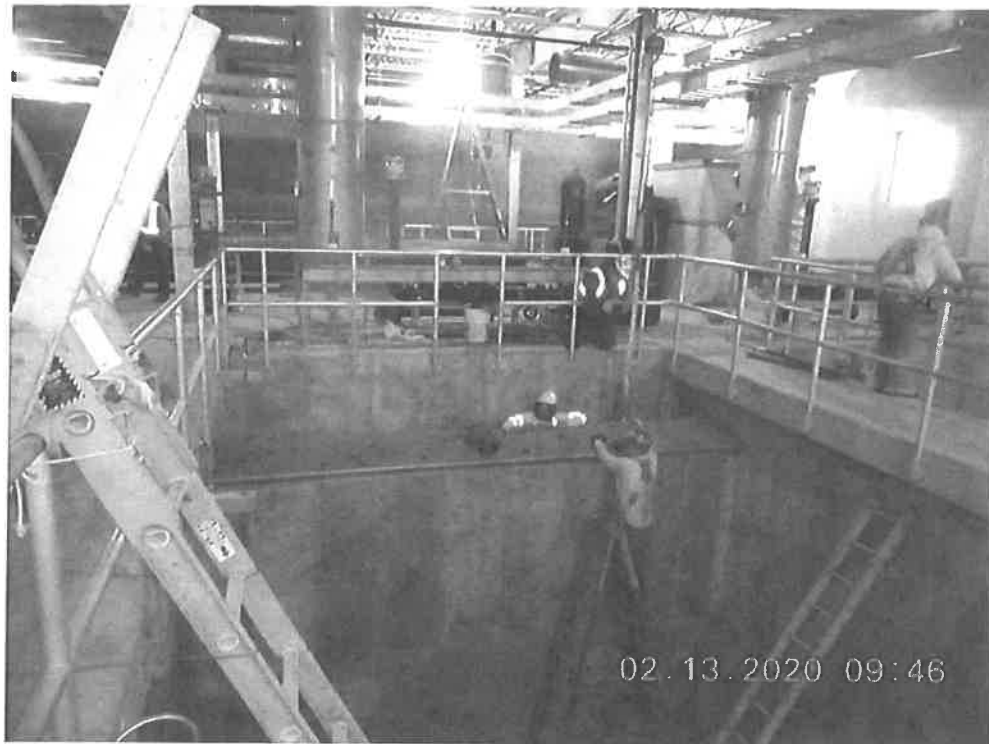

- Complete slab on grade at RWPS
- Continue painting inside treatment building/admin building
- Continue installation of yard piping
- Complete roof at treatment/admin building
- Continue installation of HVAC equipment at treatment/admin building
- Complete installation of slide gates at CCT

## Site Photographs

The following project photographs were taken in February 2020. These photographs depict the ongoing activities related to concrete work for the SWW basin and treatment building chemical areas, as well as site work for RWPS.

**Installation of chemical tanks**

**Installation of DAF equipment**

**Forming and rebar for SWW elevated slab**

**Design-Build-Operate Contract Update**

TOTAL CONTRACT AMOUNT	\$56,911,833
EXPENDED THROUGH January 31, 2019	\$37,490,462.08

**CITY OF WOONSOCKET, RHODE ISLAND  
LAW DEPARTMENT**

February 25, 2020

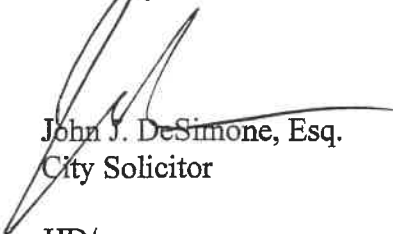

Ms. Genesis Martinez  
129 Rockridge Drive, Apt. B  
Woonsocket, RI 02895

Dear Ms. Martinez:

I reviewed your claim for reimbursement from the City as a result of alleged incident that occurred on Diamond Hill Road on the evening of February 16, 2020. You stated this was caused by road debris from an accident that was still "in progress" with officers and an ambulance on scene.

Under R.I.G.L. § 24-5-13, the City is only responsible for conditions it had reasonable opportunity to repair after receiving notice of specific conditions, specifically potholes. Also, Diamond Hill Road is a State Road and it is maintained and under the responsibility of the State. Neither the State nor the City would have to have had an opportunity to clear the scene while still in process and passing was at your own risk. Therefore, I am denying your claim for reimbursement.

Sincerely,

John J. DeSimone, Esq.  
City Solicitor

JJD/ps

cc: Woonsocket City Council

**WITNESS STATEMENT**

TIME: 2307  
DATE: 02/16/2020  
PLACE: 577 Diamond Hill

I, Patrol Officer Nicholas J Maglio, voluntarily, without threats or promises, make the following statements:

Name: Patrol Officer Nicholas J Maglio

D.O.B.:

Address: 242 Clinton St., Woonsocket, RI

Phone: (401) 766-1212

**Narrative:**

On 02/17/2020 at 0030 hours, I, Officer Maglio, responded to 129 Rockridge Drive for the report of property damage.

I met with the caller, Genesis Martinez, who stated she was driving in the area of 577 Diamond Hill Road at approximately 2330 hours on 02/16/2020. Genesis was driving her white Toyota Corolla displaying PC RI QU380. Genesis stated that she observed the police to be handling a motor vehicle crash. Genesis stated that as she drove down the road she drove over glass that had come from the crash. Genesis stated that the glass got stuck in her tire which damaged it and cause it to leak air. Genesis stated that she had since changed the tire but showed me the tire that was damaged in the trunk of her car. The damaged tire still had a piece of glass embedded in it and I could hear it actively leaking air. Genesis wanted the incident documented so that she could seek reimbursement for the damage [REDACTED]

[REDACTED]

I returned to service.

Nothing further to report.

## INFORMATION TO SUBMIT A CLAIM TO THE CITY OF WOONSOCKET

✓ for previous claim

This form is used for pothole or other property damage claims. Please complete the information that pertains to your claim only. Submission of this form does not guarantee acceptance of the claim. The City Council has the sole legal authority to accept/reject this submission.

3rd claim

### Pothole Claims

There are a series of steps to follow, which are detailed below. You can also obtain directions by calling (401)767-9201 or visiting the City website, [www.ci.woonsocket.ri.us](http://www.ci.woonsocket.ri.us). The initial notification must be made within seven calendar days of the incident.

**Special Notice Regarding Pothole Claims:** Under Rhode Island General Law § 24-5-13(b); If any person shall incur damage to his or her motor vehicle by reason of a pothole on any municipal highway or street which damage would not have occurred without the existence of the pothole, he or she may recover from the municipality the amount of the damages sustained up to and not more than the sum of three hundred (\$300.00). Provided, however, that the municipality had reasonable notice of the pothole, or may have had notice thereof by the exercise of proper care and diligence on its part, and a reasonable opportunity to repair the pothole. All claims shall be made with a period of seven (7) days from the date on which was sustained by filing a written report in a manner prescribed by the municipality. In no instance, however, shall any claim for damage so caused to a motor vehicle registered in a foreign state be considered unless that state has a similar statute affording similar protection to persons owning motor vehicles registered in this state.

### Damage in a Construction Zone

Call (401)767-9201. You will be directed to the responsible contractor for processing.

### Other Claims

Claims must be submitted to the City Solicitor as instructed here, pursuant to R.I.G.L. § 45-15-10 for review, approval, denial and submission to the City Council and/or the City's insurance administrator. Please note that the City of Woonsocket does not handle property damage claims in excess of \$2,500.00 or incidents involving personal injuries. The City submits these claims to their insurance administrator to process these claims on behalf of the City.

### INSTRUCTIONS

The registered vehicle/property owner must submit the claim form and return with the applicable following documentation:

- Completed 2-page Woonsocket Property Damage Claim form (below).
- Three written, itemized estimates for repair/replacement of damaged property (or one paid receipt with proof of payment and two estimates).
- Copy of valid RI registration for the vehicle.
- Copy of police report, tow receipt or auto club report verifying the incident.
- Photos of damage, if applicable.

Your claim will not be processed until all information requested is received. The claim will be reviewed by the Law Department and a recommendation forwarded to the Woonsocket City Council.

Submit the completed form and other listed requirements to:

City of Woonsocket – Law Department  
169 Main Street-P.O. Box B  
Woonsocket, RI 02895  
or by email to: [psteenbergen@woonsocketri.org](mailto:psteenbergen@woonsocketri.org)

RE: March 2, 2020 City Council Agenda Items

Dear Madame Clerk:

Under Communications and Petitions of the Woonsocket City Council meeting agenda for the March 3<sup>rd</sup> meeting, please be advised that I will be addressing the following matters:

1. Assessment Review Board decisions and tax abatements arising, or not, therefrom.
2. Solar Parking Canopies, municipal fleet conversion to Electric Vehicles and municipal parking lot charging stations.

Thank you,

John F. Ward

## Ordinance

### Chapter

February 3, A.D. 2020

#### **AUTHORIZING THE FIRE CHIEF OF THE CITY OF WOONSOCKET TO PURCHASE A 2020 FORD F550 EMERGENCY MEDICAL SERVICES RESCUE VEHICLE**

- WHEREAS,** The Fire Department is in need of said vehicle to replace a 2011 Chevrolet 4500 Emergency Medical Services Transport Vehicle; and
- WHEREAS,** The Fire Department will follow the HGACBUY interlocal contract for cooperative purchasing Contract #AM10-18 through Specialty Vehicles, Inc.; and
- WHEREAS,** The Fire Department requires this vehicle as soon as possible for the public safety of the citizens and the emergency medical services providers.

#### **IT IS ORDAINED BY THE CITY COUNCIL OF THE CITY OF WOONSOCKET AS FOLLOWS:**

**SECTION 1.** That the Fire Chief is authorized to purchase from Specialty Vehicles, Inc. one (1) new/unused Life Line Emergency Medical Vehicle Type 1-AD, Class 1 Emergency Medical Rescue Vehicle mounted on a new/unused 2020 Ford F550 4x4 Superduty Cab/Chassis. The amount not to exceed \$306,860, as shown in Proposal (Exhibit A.)

**SECTION 2.** This Ordinance shall take effect on the eleventh consecutive day following its passage by the City Council as provided in Chapter III, Section 9 of the Woonsocket Home Rule Charter and all Ordinances or parts of Ordinances inconsistent herewith are hereby repealed.

Daniel M. Gendron  
City Council President  
By Request of the Administration

IN CITY COUNCIL February 3, 2020 - Read by title and passed for the first time unanimously.

### Ordinance

### Chapter

### TRANSFERRING FUNDS

### IT IS ORDAINED BY THE CITY COUNCIL OF THE CITY OF WOONSOCKET AS FOLLOWS:

**SECTION 1.** That the following funds be transferred from and to the following accounts:

<b>FY20</b>	DIVISION	ACCOUNT NO.	APPROPRIATION	OBJECT ITEM	AMOUNT
<b>FROM:</b>					
	City Capital Fund	1597-51455-55500	Expenditures	Unallocated	\$30,000
<b>TO:</b>					
	Fire Division General Fund	1010-05355-55542	Capital Outlays	Fire Safety Improvements	\$30,000

**REASON FOR REQUEST:**

To transfer funds from the Capital Fund to the General Fund's Fire Department's Fire Safety Improvements account in order to fund 10% required match for \$300,000 Federal Assistance to Firefighters Grant to purchase portable radios and structural firefighting turnout gear washer extractors and dryers.

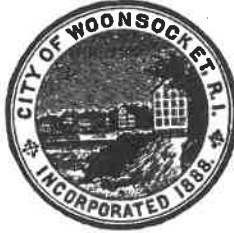

**SECTION 2.** This Ordinance shall take effect immediately when signed by the Mayor following its passage by the City Council as provided in Chapter III, Section 5 of the Woonsocket Home Rule Charter and all Ordinances or parts of Ordinances inconsistent herewith are hereby repealed.

Daniel M. Gendron, City Council President

## Ordinance Chapter

### **AMENDING THE CODE OF ORDINANCES, CITY OF WOONSOCKET, RHODE ISLAND, ENTITLED "ALCOHOLIC BEVERAGES", CHAPTER 3, SECTION 3.5.(c)**

**WHEREAS,** the City has had experiences wherein the need to immediately address public safety issues has arisen; and

**WHEREAS,** the Public Safety Division has recommended changes to Chapter 3 of the Code of Ordinances "Alcoholic Beverages" of the City of Woonsocket for more clarification.

### **IT IS ORDAINED BY THE CITY COUNCIL OF THE CITY OF WOONSOCKET AS FOLLOWS:**

**SECTION 1.** Entitled "Alcoholic Beverages" is hereby amended by adding (1) as follows:

Sec. 3-5. Board of Commissioners Established.

(c) Issuance and revocation of licenses. The board shall have the authority to approve, issue, renew, transfer, suspend or revoke any or all alcoholic beverages licenses under its control within the city and may also from time to time reduce or increase the number of any class of licenses in each category as shall be authorized and empowered by state law.

- (1) Unless otherwise provided by state law, suspend, annul, rescind, cancel or revoke any license issued by the board of licenses for any reason which the board may deem to be in the public interest; provided, however, that no license shall be suspended for more than seventy-two (72) hours or annulled,

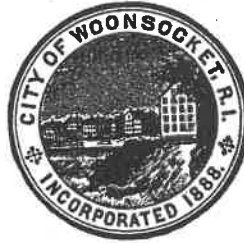

rescinded, cancelled or revoked unless the licensee shall have been given at least three (3) days' written notice of the action proposed to be taken and of the grounds therefor and the time and place of the hearing. The said licensee shall also be notified of the right to be represented at said hearing by legal counsel.

**SECTION 2.** This Ordinance shall be enacted in accordance with the provisions of Sections 45-24-27 and 45-24-72 of the Rhode Island General Laws, and amended, and shall take effect on the eleventh consecutive day following its passage by the City Council as provided in Chapter III, Section 9 of the Woonsocket Home Rule Charter and all Ordinances or parts of Ordinances inconsistent herewith are hereby repealed.

## Resolution

### AUTHORIZING THE CANCELLATION OF CERTAIN TAXES

WHEREAS, The City Assessor, recommends that the said taxes be cancelled and/or refunded in the amount as respectively and particularly set forth in said report.

### IT IS HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF WOONSOCKET AS FOLLOWS:

Section 1: That the said above described report be incorporated in and attached to this resolution and that the said report be made a part and parcel hereof.

Section 2: That the City Council hereby orders that said taxes be cancelled and/or refunded.

Section 3: That the City Clerk of the City Council shall, upon the passage of this resolution forthwith certify to the City Treasurer and Tax Collector, of this city, that the taxes specified and itemized in said report have been cancelled and abated in the amounts as respectively and particularly set forth in said report; and that the Finance Director of the city of Woonsocket is hereby authorized, on the passage of this resolution, to make refunds in the amount or amounts as respectively and particularly set forth in said report.

Section 4: This resolution shall take effect upon passage.

**RESOLUTION**

**DIRECTING THE MAYOR, THROUGH HER ADMINISTRATION TO ISSUE A  
REQUEST FOR PROPOSAL TO EMPLOY A VENDOR TO PERFORM A SPACIAL  
ASSESSMENT ANALYSIS FOR THE POLICE AND FIRE DEPARTMENTS**

2.

WHEREAS, The Fire and Police Departments are in need of a current analysis of their facilities and equipment as well as a recommendation for determining needs based on current and future service demands to include station locations, apparatus, and response time reduction; and

WHEREAS, The City Council is seeking a vendor to analyze the current location and physical conditions of our fire and police departments and a cost analysis associated with all recommended improvements.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL  
OF THE CITY OF WOONSOCKET AS FOLLOWS:**

SECTION 1: The City shall request for proposals and solicit bids for analysis of Fire and Police Department facilities and equipment, including recommendations for determining needs based on current and future service demands to include station locations, apparatus, and response time reduction, no later than March 23, 2020.

SECTION 2: That the bids results be provided to the City Council on or before April 23, 2020.

SECTION 3: This Resolution shall take effect immediately upon passage by the City Council.

## Resolution

February 17th, A.D. 2020

### **GRANTING PERMISSION TO USE CITY PROPERTY**

**WHEREAS,** Autumnfest is a community event celebrating its 42nd anniversary year; and

**WHEREAS,** the Autumnfest Steering Committee respectfully requests permission to use the city park, WWII Veterans Memorial Park, and other surrounding parcels on Columbus Day weekend as well as several weeks before the festival to allow for set up; and

**WHEREAS,** the Autumnfest Steering Committee is proud to once again partner with the City of Woonsocket, the Rotary Club of Woonsocket, and many wonderful local sponsors; and

**WHEREAS,** Autumnfest has a long standing tradition of being a City sponsored event; and

**WHEREAS,** Autumnfest is more than just a festival; it is the pride of our community and brings in nearly 100,000 people to the City that has a great impact on our local economy as well as showcases one of the best things about Woonsocket.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL  
OF THE CITY OF WOONSOCKET, AS FOLLOWS:**

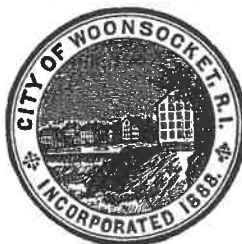

**Section 1.** The City of Woonsocket grants permission of WWII Veterans Memorial Park, Bouley Field (fireworks), a section of East School Street, 179 East School Street, and city owned land on East School Street (Plat 20, Lot 16), from October 9th, 2020 till October 12th, 2020, along with two weeks prior for set-up and one week after to break down, to the Autumnfest Steering Committee and its partners.

- Section 2.** The Autumnfest Steering Committee shall be allowed to use all facilities in the park such as the grounds, bathrooms, concession stand, playground, ball field, basketball courts, parking lots, lampposts/lights, scoreboard, bleachers, etc.
- Section 3.** The "Home of Autumnfest" sign shall be reinstalled by the Public Works Department at the park entry on Social Street no later than April 1st, 2020 and shall remain in place.
- Section 4.** The Autumnfest Steering Committee shall send an insurance certificate to hold the City of Woonsocket harmless for any and all claims on city property through their insurance company at least one week prior to the event.
- Section 5.** This resolution shall take effect immediately upon passage by the City Council.

## Resolution

### **AUTHORIZING THE PUBLIC WORKS DIRECTOR TO ENTER INTO A CONTRACT WITH T. MIOZZI INC.**

- WHEREAS,** the City of Woonsocket advertised Bid #5940 for competitive bidding for roadway improvements to Park Avenue; and
- WHEREAS,** the lowest bidder was T. Miozzi, Inc. of North Kingstown, RI, in the amount of Four Hundred Thousand Five Hundred Seventy-Three dollars and Seventy-Five (\$400,573.75) (as shown in Exhibit A); and
- WHEREAS,** the City is desirous of awarding the bid to T. Miozzi, Inc. of North Kingstown, RI.

### **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WOONSOCKET, RHODE ISLAND, AS FOLLOWS:**

- SECTION 1.** The City Council authorizes the Public Works Director to award the bid and enter into a contract with T. Miozzi, Inc., for roadway improvements to Park Avenue, as detailed in the attached bid proposal (Exhibit A) per City Bid #5940 in the amount of Four Hundred Thousand Five Hundred Seventy-Three dollars and Seventy-Five (\$400,573.75) to be funded with CDBG Grant funds.
- SECTION 2.** This Resolution shall take effect immediately upon its passage by the City Council.

RESOLUTION

February 17, A.D. 2020

**RECOGNIZING PARAMEDIC REMI GRABER AND EMERGENCY  
MEDICAL TECHNICIAN RYVELL TETTEH ON THEIR ACT OF  
BRAVERY IN PROTECTING THE LIVES OF TWO INDIVIDUALS**

**WHEREAS,** Remi Graber, a Woonsocket resident, is a Paramedic with Medstar Ambulance and Ryvell Tetteh is an Emergency Medical Technician with Medstar Ambulance; and

**WHEREAS,** On November 11, 2019, Paramedic Graber and EMT Tetteh were on a routine, 2:00 am call to Millbury, Massachusetts and encountered a Massachusetts State Trooper and another individual in the midst of a dangerous struggle in the middle of the road; and

**WHEREAS,** Paramedic Graber and EMT Tetteh, without regard for their own safety, intervened in the struggle and assisted the officer in apprehending the suspect, while helping to bring control to the situation and preventing serious harm to either; and

**WHEREAS,** Paramedic Graber sustained a shoulder injury in the process of deescalating the struggle, but insisted on medically assessing both the officer and the other individual to ensure neither had sustained injury; and

**WHEREAS,** Paramedic Graber and EMT Tetteh have been recognized by Medstar Ambulance for their selfless act (document attached); and

**WHEREAS,** The Woonsocket City Council expresses a sincere thank you to Paramedic Graber and EMT Tetteh for going above and beyond their job description to ensure the safety of the community and making our city proud in the process.

**NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL  
OF THE CITY OF WOONSOCKET, RHODE ISLAND, AS FOLLOWS:**

**SECTION 1.** That the City Council of the City of Woonsocket hereby recognizes and thanks Medstar Paramedic Remi Graber and EMT Ryvell Tetteh on their act of bravery.

**SECTION 2.** This Resolution shall take effect immediately upon its passage by the City Council.

### To Whom it May Concern:

In the early morning hours of November 11, 2019, Paramedic Jeremy Graber and Emergency Medical Technician Ryvell Tetteh of MedStar Ambulance were in the final hours of their twenty-four-hour shift when they rolled up on a traffic stop being conducted by a Massachusetts State Police trooper.

The crew quickly identified that this traffic stop was anything but "routine" as they identified the trooper engaged in a struggle with a suspect and the altercation had moved from the shoulder of Highway 146 in Worcester into the middle of the roadway where a passing motorist could have easily struck both persons by accident.

Paramedic Graber instructed EMT Tetteh to stop the ambulance and activate its emergency equipment while placing the ambulance in a position to provide protection to the trooper. Then, both crew members exited the ambulance to assist. In an act of extreme courage, both crew members sprang into action without regard for their personal safety to assist the trooper in distress. The crew did not know the circumstances of the stop, were unable to know if there were weapons in play, and could not have known whether they or the trooper would survive the incident. Despite the insurmountable risk involved in their actions, Paramedic Graber and EMT Tetteh quickly joined the fight and successfully aided the trooper in apprehending the suspect.

During the altercation with the suspect, Paramedic Graber sustained non-life-threatening injuries to his arm which caused him to be placed on light duty since the incident. While every public servant is blatantly aware of the potential risk involved with the job, paramedics are not inherently responsible for engaging with combative citizens in order to affect an arrest. Paramedics and EMTs are not trained in defensive tactics nor do we carry any variety of protective equipment to protect us in the event of an attack.

The actions of Paramedic Graber and EMT Tetteh went well above and beyond the call of duty. It is a demonstration that the men and women of public safety, regardless of our function in the community,

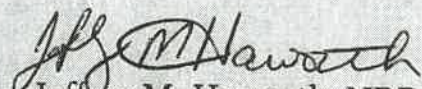

are committed to each other and an attack on one is an attack on all of us. Paramedic Graber's quick thinking and prompt action in this situation very well may have prevented the loss of a trooper that morning. The crew's actions could have also subject either, or both, men to serious bodily harm or death in their attempt to provide aid.

"Greater love hath no man than this, that a man lay down his life for his friends," John 15:13. This quote often is used to describe the depth of commitment the men and women of public safety have for their communities. The actions of the state trooper, Paramedic Graber, and EMT Tetteh fully embody the meaning of this verse. These men performed courageously in the face of danger and, as a result of their acts of bravery, there was no loss of life on the highway that night.

The Medal of Valor is awarded for actions above and beyond the call of duty and exhibiting exceptional courage, extraordinary decisiveness and presence of mind, regardless of his or her own personal safety, in an attempt to save or protect human life. Paramedic Graber and EMT Tetteh did, in fact, demonstrate exceptional courage by entering a scene which appeared to be unsafe knowing that a citizen was actively fighting a police officer. These men did, in fact, demonstrate extraordinary decisiveness and presence of mind by deciding to stop, without hesitation, leave the safety of their ambulance, and enter into a situation with unknown risk in an effort to preserve not just the life of a peace officer but both human lives that were at risk and, they did so, at the risk of their own lives.

It is my distinct pleasure, and is with great humility, that I recommend Paramedic Jeremy Graber and EMT Ryvell Tetteh be recognized for their bravery with the EMS Medal of Valor.

Respectfully,

Jeffrey M. Haworth, NRP

## RESOLUTION

### IN OPPOSITION TO CERTAIN SECTIONS OF THE GOVERNOR'S 2021 BUDGET PROPOSAL – H7171

**WHEREAS,** Article 1, Section 1 of the Governor's 2021 Rhode Island State Budget Proposal includes a 50% cut in the amount of Distressed Community Relief Funds, decreasing state aid to Woonsocket by \$387,753; and

**WHEREAS,** Woonsocket taxpayers have a high property tax burden relative to our community wealth, has the second lowest Per Capita Income (68% of the state average) and has experienced the lowest growth in Median Household Income over the past 25 years.

### **NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WOONSOCKET, RHODE ISLAND AS FOLLOWS:**

**Section 1.** The City Council respectfully requests that the Leaders of the House and Senate, the entire Woonsocket delegation and all of the General Assembly membership support the restoration of the Distressed Community Aid in the FY2021 budget.

**Section 2.** That the City Clerk, upon passage, provide a copy of this Resolution to the members of the Woonsocket delegation to the General Assembly, the Honorable Speaker of the House of Representatives, the Honorable Senate President and the Honorable Chairmen of the House and Senate Finance Committees.

**Section 3.** This resolution shall be effective immediately upon passage.
