RE: Veto Message

Dear Madam Clerk:

Please accept this letter as a supplement to my veto notice of 17 O12.
17 O 12 attempts to defund the salary of a crucial member of city government, Blake Collins, who is the City's Business Outreach and Public Relations Coordinator.

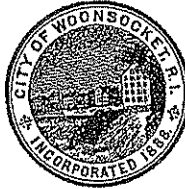

Passage of this ordinance is a shortsighted decision to strip the City's administration of a full-time employee that is tasked with economic development and communications efforts. Eliminating this position adversely affects the City's efforts to communicate with the business community and general public. Moreover, the elimination of this position will undoubtedly undermine the city's efforts in attracting new businesses and accommodating existing businesses in the City of Woonsocket. Blake has developed into an integral part of the team here at City Hall, and functions as a key resource for all of our Departments and Directors.

In addition to the organizational strain this ordinance places upon the administration of this City, the optics of eliminating an economic development position is one that needs to be avoided by a City on the precipice of future economic success. 17 O 12 hobbles City Hall and ultimately the residents and businesses that currently and in the future interact with Blake.

Respectfully,

Mayor Lisa Baldelli-Hunt

RE: Claim for Property Damage of Carmen Sanabria
429 East School Street, Woonsocket, RI

Dear Councilors:

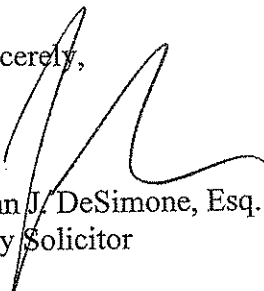

This claim for property damage arises out of an alleged incident that occurred on or about April 5, 2017. Ms. Sanabria claims she damaged a tire of her 2015 Toyota after striking a pothole on East School Street close to World War II Veterans Memorial Park.

Ms. Sanabria submitted a receipt from Bristol Toyota Scion, Inc. in the amount of \$177.34 for the replacement of the tire. She supplied a police report noting the damage to the tire and that a pot hole on East School Street had been reported, but not the date the reporting was received. She also submitted a picture of a damaged tire and a pothole. Our Highway Department was contacted and there was no record of any pothole complaint at that location as far back as March 2, 2017.

The amount of his claim is noted as \$177.34. Using the receipt and accounting for replacement of only two tires, his claim would be in the amount of \$226.68. Under R.I.G.L. § 24-5-13 (b), a person may collect up to \$300.00 for damage caused by a pothole. There were no site reports prior to the date of the incident to the City. As there was no prior notice, the City is within its rights to deny the claim. I recommend that this claim be denied.

If you have any questions, please contact me as I would be happy to answer them.

Sincerely,

John J. DeSimone, Esq.

NARRATIVE FOR PATROL OFFICER MICHAEL S MARTINSEN

Ref: 17-2055-OF

WITNESS STATEMENT

TIME: 1158 hours
DATE: 04/06/2017
PLACE: East School St

I, Patrol Officer Michael S Martinsen, voluntarily, without threats or promises, make the following statements:

Name: Patrol Officer Michael S Martinsen

Address: 242 Clinton St., Woonsocket, RI

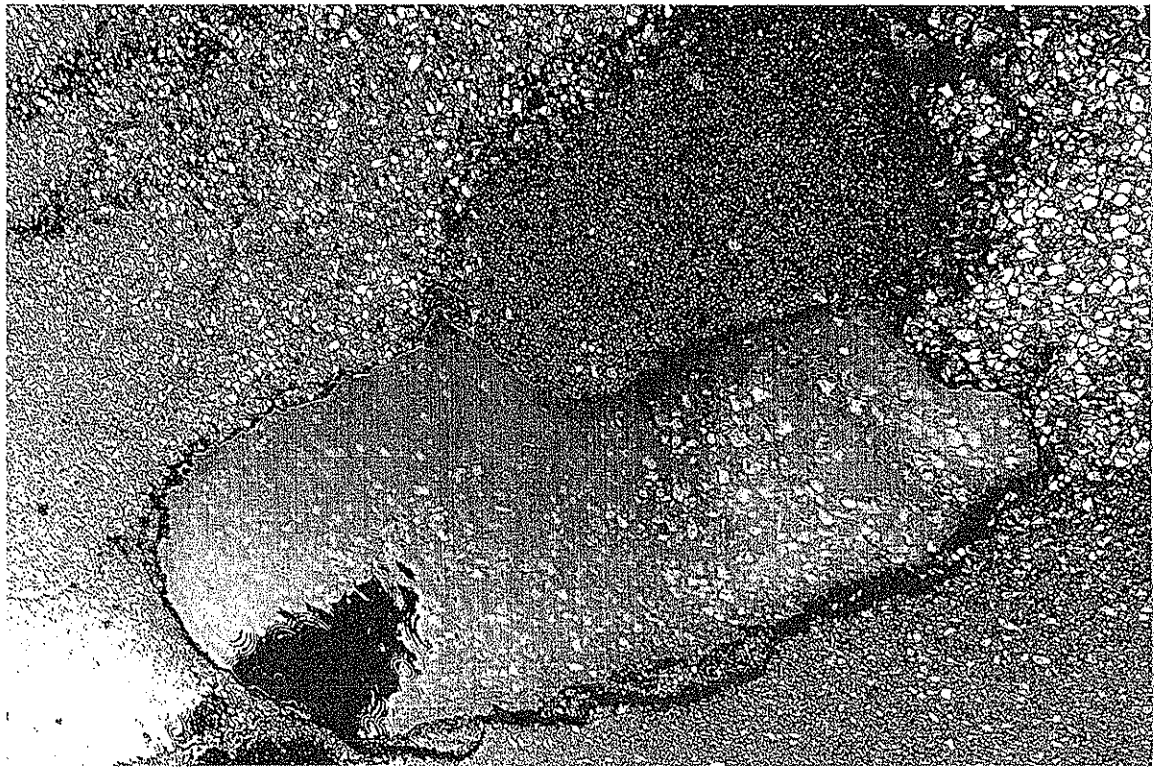

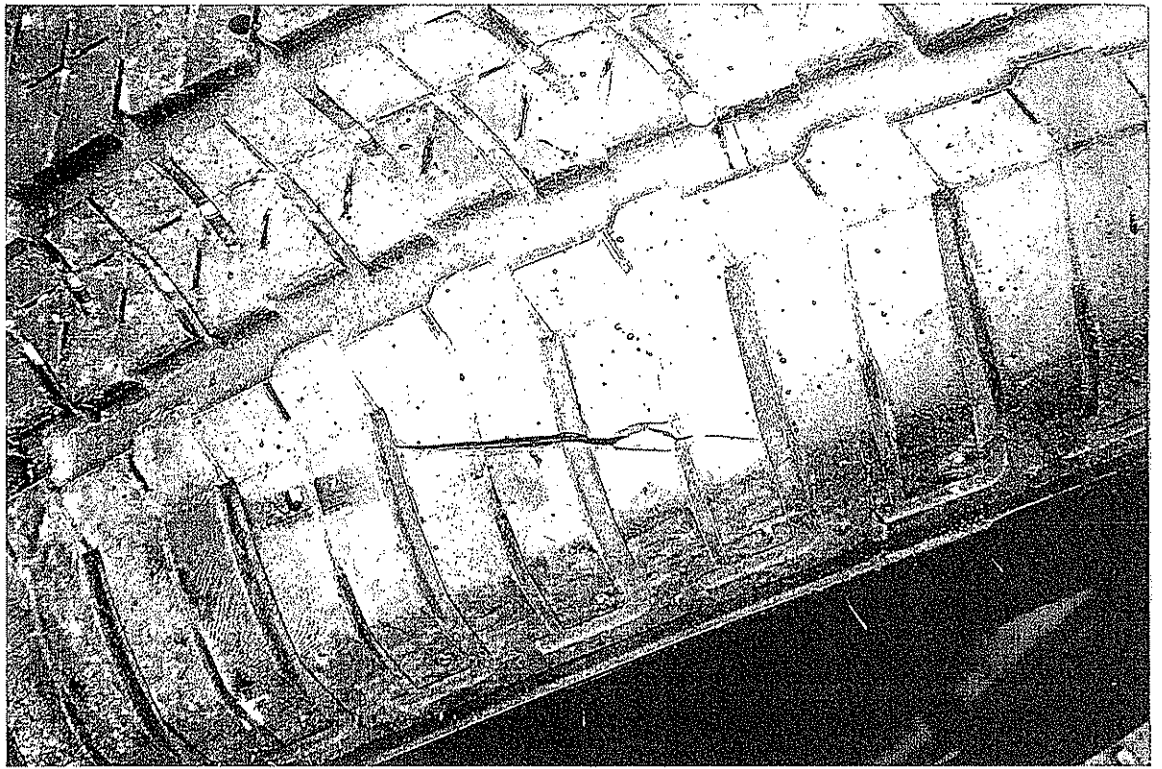

Phone: (401) 766-1212

Narrative:

On Thursday April 6, 2017 at approximately 1158 hours I, Officer Michael Martinsen was assigned as the station officer and was advised of a subject in the lobby that wanted to file a report. The reporting party, Carmen Sanabria, indicated that her vehicle was damaged due to a large pot hole on East School Street.

Sanabria reported that she was heading home last night around 1930 hours and noticed a large hole in the travel lane. She indicated she slammed on her brakes and swerved, but her passenger side rear tire went into the hole. I was informed by dispatch that there is indeed a pot hole on East School Street that had been reported. I viewed the damaged tire and noticed a 2" slice in the tread (bottom) part of the tire. Sanabria indicated she has already received the paperwork from the city and wanted to document the damage.

Nothing further to report.

Dear Councilors,

There were two (2) odor complaints filed with the Woonsocket Regional Wastewater Commission during the month of March 2017.

CH2M meets with the City and Synagro on a weekly basis to coordinate operations and to discuss odor and noise complaints and the related causes, facility issues, new odor control products and any other issues that arise.

I've attached graphs of monthly odor complaints received since January of 2014 and yearly complaints received since 2008.

If you have any questions or require additional information, please call me at 401.356.1468.
