RE: Claim for Property Damage of Ms. Doris A. Burrows, 536 Grove Street

Dear Councilors:

This claim for property damage arises out of an alleged incident that occurred on June 1, 2017. Ms. Burrows reported to the City that she sustained damage to 2008 Chevrolet Cobalt after turning onto East School Street from North Main Street. She said her vehicle struck a pot hole there.

Ms. Burrows submitted receipts from Tasca Chevrolet for replacement of the left front control arm totaling \$456.23. She also submitted a police report noting that the following day there were many patched holes noted in the area, but no open holes. A report from the Highway Department noted that no complaints had been received, however many holes had been filled in that area.

Under R.I.G.L. § 24-5-13 (b), a person may collect up to \$300 for damage caused by a pothole. Her claim totals \$456.23. There were no site-specific reports prior to the date of the incident to the City; however the Highway Department had observed areas of need in that location. Since there was no prior notice, the City is within its rights to deny the claim. However, I recommend that \$300.00 be paid, given the observed condition of the roadway.

If you have any questions, please contact me as I would be happy to answer them.

Sincerely,

John J. DeSimone, Esq.

RE: Claim for Property Damage of Daniel & Carol Chattman
DOI: 11/19/2016

Dear Councilors:

This claim for property damage arises out of an incident that occurred on November 19, 2016. Mr. and Mrs. Chattman's stopped vehicle was struck on the driver's side front bumper by a Woonsocket police vehicle. The Woonsocket Police report is attached, as well as an estimate for repairs.

As the repair and car rental cost in excess of the City deductible of \$2,500.00, I recommend that the City refer it to the Rhode Island Interlocal Trust, who provides coverage for such claims under the City's policy of insurance.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

John J. DeSimone, Esq.
City Solicitor

Narrative/Diagram Supplemental

(1) WITNESS STATEMENT TIME: 1747hrs. DATE: 11/19/2016 PLACE: Diamond Hill Rd. I, Patrol Officer Cory R Johnson, voluntarily, without threats or promises, make the following statements: Name: Patrol Officer Cory R Johnson D.O.B.: Address: 242 Clinton St., Woonsocket, RI Phone: (401) 766-1212 Narrative: On 11/19/16 at approximately 1747hrs., I was dispatched to Diamond Hill Rd. in the area of the Quick Mart for a report of a motor vehicle accident. Upon arrival I observed Cruiser 303 and a black Mercedes Benz in the parking lot of the Quick Mart. I spoke with Lt. Douma who was operating Cruiser 303 who stated that he was stopped in traffic in front of the quick mart responding to a separate motor vehicle accident with unknown injuries. He stated that he activated his emergency lights and travelled past several vehicles when he heard a crash and noticed that the rear passenger side of his cruiser came into collision with vehicle #2's driver's side front bumper and fender. I then spoke with the operator of vehicle #2 identified as Carol Chattman who stated that she was stopped in traffic when the police cruiser's passenger side came into collision with her vehicle's front bumper as it was attempting to re enter the lane of travel. There were no injuries at the time of the collision. Vehicle #1 sustained damage to it's rear passenger door. Vehicle #2 sustained damage to it's front driver's side bumper. At the time of the investigation into this collision it was nighttime on a well lit road, the weather was clear and the roadway was dry. (2) At 1747 hrs. on Saturday, 19NOV16, I was dispatched to Diamond Hill Rd. and St. Leon Ave. to assist with a motor vehicle crash with unknown injuries. I was traveling west on Diamond Hill Rd. and as I approached the intersection with St. Cecile Ave., traffic was stopped in front of me. I activated my emergency lights and moved into the opposite lane of travel to pass the stopped traffic. As I continued straight, I heard a crash and felt a collision on my passenger side. I stopped, exited my vehicle and observed a vehicle later identified as RI (PC) LW625 displayed on a 2001 Mercedes Benz, color black pulling into the parking lot to my right. I then notified dispatch, returned to my cruiser and moved my vehicle into the parking lot as well. I met with the operator who identified herself as Carol Chattman. I asked her what happened and she told me that she did not know. I observed what appeared to be minor damage to the front drivers side of her vehicle surrounding the headlamp assembly. There was old damage with rust in the same area. Inspecting my cruiser, it appears there is new damage to the passenger side rear door and wheel well. I was not injured and when Sgt. Ronald Marcos and Ptm. Corey Johnson arrived on scene, they initiated their investigation of the crash.

Chapter

AMENDING CHAPTER 13 ENTITLED, "LICENSES AND PERMITS" OF THE CODE OF ORDINANCES, CITY OF WOONSOCKET

- WHEREAS,** Cigarette smoking is dangerous to human health. Scientific evidence exists that the use of tobacco products causes cancer, heart disease and other medical disorders; and
- WHEREAS,** The Surgeon General of the United States of America has declared that nicotine addiction from tobacco is the most widespread example of drug addiction in this country. - WHEREAS,** The Rhode Island General Assembly declared that the use of tobacco by Rhode Island children is a health and substance abuse problem of the utmost severity. State Tobacco retailers illegally sell over 900,000 packs of tobacco products to children annually, which equals 2,500 packs a day. According to the Center for Disease Control (CDC), the smoking-related direct medical cost in the state has climbed to over \$186,000,000.00. This a health and economic drain created by each new generation of children who begin using tobacco products and become addicted to nicotine; and

Expansion of Parking Lot Usage Request Narrative

P&EE Consulting Inc. dba FoodTrucksIn.com has partnered with NeighborWorks Kitchen to bring Market Square Food Truck Nights to Market Square in Woonsocket. Previously on March resolution 17 R 28 grant permission of 5 spots directly in front of Neighborworks to be used for the event. At this time due to the initial success of the event and support from the community we are asking for an expansion to including the additional 4 parking spots directly in front of the Museum of Work and Culture. The addition of these spaces will allow for the growing crowd to have more space to enjoy the evening while preventing overcrowding.

As per the application we are also asking to extend the access of the spaces in the municipal spots to include the first Friday of the month in September and October with the hopes of continued success of the event.

I have included the support we have received from the museum below along with the layout of the space requested, and finally some examples of the support we are receiving from the community.

We look forward to working with the city, council, and community to build and event and community that will benefit Woonsocket and the surrounding community. I am happy to answer any additional questions.

Respectfully,

Hi Tamara,
Congratulations on a great event!
I don't have a problem with your utilizing more of the parking lot for the food truck event. But since it is a municipal lot, I am not your final answer :)
Take care,
Anne

Re: Demolition of 25 Cumberland Hill Road (Former Incinerator Building)

To Whom It May Concern:

In order to better differentiate itself and avoid confusion with myriad other companies, including other hauling companies that include "Patriot" in their names, Patriot Hauling Co., Inc. has formally changed its name and is doing business as J.R. Vinagro Corporation. Please note that nothing material has changed. The officers, bonding capacity, insurance, personnel, etc., all remain the same. Only the name has been changed. Please feel free to contact me with any questions or concerns you may have regarding this matter.

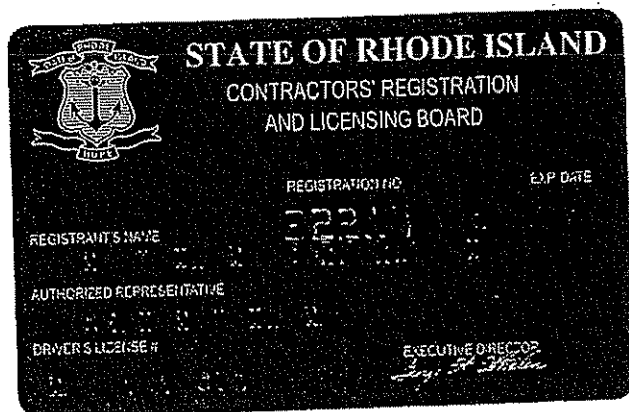

Sincerely,

J.R. VINAGRO CORPORATION
