ON THE OUTSIDE OF THE ENVELOPE**

**"Cass Park Playground Equipment"**

WBE, MBE and Section 3 contractors are encouraged to bid.

Responses will be evaluated on the basis of the relative merits of the bid in addition to the price. The City of Woonsocket reserves the right to reject any and all responses, or parts thereof, to waive any irregularity in the responses received and to accept the responses or parts thereof deemed to be most favorable to **THE BEST INTEREST OF THE CITY.**

**Specifications are as follows per the Parks & Recreation Division:**

**Overall Requirements:**

- Play experiences for 2-5 year old and 5-12 years old
- Must meet ADA compliant play experiences
- Minimal Blind spots – Open Site Lines
- No tower structure or tunnels
- Minimal Surface areas throughout
- Natural Material or Natural Looking material (wood)
- Exception on the Natural would be the swing – this can/should be metal
- Exceptions when made should be complimentary to the natural environment and the overall wood structures
- Itemize each play feature when quoting the project
- Two separate play areas – one area will be for Swings only, the other should have the rest of the play pieces

**Required Play Features:**

- Two Bay swing to include 2 flat swing seats and (2) 360 bucket seats
- Seesaw
- Two Single spring rockers – themed either wood or water related animals
- Multi-person rocker – natural or complimentary colors if not in wood
- Spinner unit
- A Parkour type (medium-large) climbing unit
- Balance Beam
- Somersault bars
- Stepping pods

**Additional Specs**

The area that will require safety surfacing is approximately 4,600 square feet. We will need IPEMA Certified Engineered Wood Fiber Playground Mulch at a depth of up to 12 inches.

This material should come with Certification certificates, meet IPEMA Standards and be ADA Compliant. Pricing should include delivery to Woonsocket, RI

Steven J. Lima
