TECHNICAL SPECIFICATIONS

SECTION 1

GENERAL PROVISIONS:

Wherever in this agreement the word 'Engineer' is used, it shall be and is mutually understood to refer to the City Engineer of the City of Woonsocket, acting either directly or through any assistant having general charge of the work, or through any assistant or inspector having immediate charge of the work, or through any assistant or inspector having immediate charge of a portion thereof, limited by the particular duties entrusted to them.

Whenever the word 'Contractor' is used herein, it shall be and is mutually understood to refer to the party or parties of the second part to this agreement, or the legal representative of said party or parties.

Normal work hours are from 7 am to 3:30 pm Monday through Friday, excluding holidays.

SECTION 2

TECHNICAL:

The City of Woonsocket will be responsible for:

- Necessary permits (local and/or State)
- Dig Safe number for the work being performed.

Bidder will be responsible for the following items:

- Provide, as part of the bid prices, all labor, equipment and tools necessary to properly deliver and move the requested equipment to the needed location(s).
- The contractor shall be responsible for all injury to water pipes, gas pipes, electrical wires, conduits, sewers, storm water drains, and other structures met with in the prosecution of the work, and shall be liable for damages to the public or private property resulting there from.
- The contractor shall be responsible for any damage to private and/or City property that is not part of the work being performed.

SECTION 3

SUB-CONTRACTORS:

No portion of the work shall be sub-let to any sub-contractor without first giving the Engineering Division due notice in writing of such intention. No sub-contractor shall be employed who is unsatisfactory to the City Engineer.

SECTION 4

COMPETENT WORKMEN/LICENSES:

All equipment operators and workers performing work at the proposed location shall hold the appropriate State of Rhode Island licenses for their responsibilities.

An OSHA ten (10) hour construction safety program is required for all on-site employees.

All required licenses and/or certificates for work being performed shall be copied and supplied to the Engineering Division. All required licenses and/or certificates for work being performed shall be in the possession of the person(s) while performing the work.

SECTION 5

SAFETY:

All Federal, State and Local safety regulations shall be followed.

The contractor shall assume responsibility for risks and casualties of every description, for loss or injury to persons and property arising out of the nature of the work, from the action of the elements or from any unforeseen or unusual difficulty.

SECTION 6

WORK TO BE LEFT CLEAN:

The work area and the adjacent areas affected by the progress of the work shall be kept clean and all rubbish, surplus materials and unneeded equipment shall be removed. All damage to said areas shall be repaired immediately so as to inconvenience the general public and the property owners as little as possible. All damage and repairs shall be the sole responsibility of the Contractor.

SECTION 7

INSURANCE REQUIREMENTS:

The successful bidder shall furnish to the City, prior to issuance of the contract certificates of minimum insurance as listed below. These certificates shall contain a provision that the insurance company will notify the certificate holder, by registered mail, at least 15 days in advance of any cancellation or material change.
