

PUBLIC NOTICE
CITY OF WOONSOCKET

September 19, 2013

BLUE Recycle Carts

Last call to turn in the City owned BLUE recycling carts should you still have any on your property.

The BLUE carts are no longer being used in the collection of recyclables within the City of Woonsocket. Residents in the City program can only use the GREEN cart each week for recycling.

Property owners and tenants are not allowed to keep the BLUE carts; they are City property. Any carts that cannot be collected; either lost, missing, stolen or being withheld by the property occupants will be invoiced to the property owner.

Please call the Solid Waste Division at (401) 767-8880 to make an appointment for the collection of BLUE cart.
